**Visual and Performing Arts**

**Early Childhood Education**

**Visual Arts (Grades K-2):** As an intermediate to advanced level, students will continue to develop techniques and concepts in the elements of art and the principles of design. Through the artistic process, students will develop an understanding of the forms used in the language of art. Through observation and study, they will then begin to research, understand, and develop an understanding of the forms used in the language of art. Through observation and study, they will then begin to research, understand, and develop an understanding of the forms used in the language of art.
