Birthday Book Donation Form

Looking for a fun and unique way to celebrate your child’s birthday? How about their very own book in the library? It’s a time-honored tradition at St. Andrew’s for families to contribute to the library’s book purchasing fund while giving their children real engagement with the library collection by donating a birthday book.

To do so, simply send $20 (check or cash) to the library along with this form. Your child will have the opportunity to choose from the new books that have been purchased for the library collection. We will place a nameplate with your child’s name and birthday into the book, and they will have the first opportunity to check it out as a special “extra” library checkout. Most students donate a book on or near their birthday, but it is fine to do so at any time during the school year (especially for those students with summer birthdays).

Thank you for participating in this wonderful St. Andrew’s tradition! Birthday books are not only a treat for your child, but they also enable us to enrich our library collection for the good of all our students.
