Memorial or Honor Book Donation Form

Donating to the St. Andrew’s library is a lasting way to remember or honor special people (or pets). To make a donation, simply send $20 (check or cash) to the library along with this form. We will place a nameplate inscribed with the information indicated below into a new book for the library and notify the honoree or their family of your donation. If you would like the book to be on a certain theme or topic to reflect the person being honored, please make a note and we will do our best to accommodate your request.
